

### Quality Promotion

- With a view to improve the competitiveness of manufacturing units, programme for modernization and up-gradation of technology will be implemented. Package of financial incentives and improvement of training facilities will be provided for acquiring ISO 9000 (series) or IS/ISO 9000 (series) or ISO 14000 (series) or HACCP or WHO-GMP or SEI CMM level 2 and above accreditation/certification. To enhance export competitiveness of the products and to promote compliance with prevalent/international best practices, the State Government shall emphasize and insist on as requisite criterion the Bar Coding using International symbologies/Numbering System for all those units functioning in the Export related units.
- Set up Export Facilitation Committee for awarding “**BEST EXPORT AWARD**” and “**EXCELLENCE EXPORT AWARD**” to the **exporters** of the State.
- For purchase of testing equipments, 25% subsidy will be admissible to **SSI** units. Registration fee and annual fee with BIS etc. will be re-imbursed in full for the first 5 years. Subsidy will be 30% in case of Weaker Section and EOUs.
