Self Employment Promotion

Local Employment Promotion Grant

- Government will reimburse annually up to thirty percent of the realistic wage bill for local tribal employees over and above the stipulated number of stipulated local tribal employees in the Industrial Policy as specified in the eligibility criteria.
- This grant would be for a period of three years from the date of employment of such staff and would only be given to those units where either investment in plant and machinery exceeds Rs. 5 lakhs or the number of employees engaged in manufacturing sectors exceeds 20 numbers. The grant will also be subject to a ceiling of Rs. 50,000 annually.
- Fifty percent of the cost incurred on the training of local tribal employees will be reimbursed subject to the following :
 - Such trained person will be absorbed in the unit failing which the unit will refund the subsidy amount paid for the same.
 - Training is conducted in an institute approved by the State Government.
