

POWER RELATED

- New industrial units with contract demand up to 100 KVA will be exempted from the payment of electricity duty for a period of 5 years from the date of availing power supply for commercial production.
- A power plant generating power from non-conventional sources set up after the effective date shall be deemed to be a new industrial unit and will be entitled to all the incentives under this policy. These plants will not be liable to pay electricity duty.
- Industries of seasonal nature like Sugar, Salt Industries, etc. will be provided the facility of temporary surrender of a part of their connected/ sanctioned load. This facility will be made available on the recommendation of the committee constituted for this purpose.
- If any industrial unit sets up captive power plant, it will be allowed 3rd party sale if it has surplus power available, the unit will be free to sell its surplus power to GRIDCO or to any other industry requiring the same directly as per the guidelines prescribed by OERC.
- Information Technology, Bio-technology and Tourism related activities (existing or new) which are treated as industrial activity will be entitled to have power at industrial and not commercial rate of tariff subject to OERC approval.
