

Participate in the Caribbean Investment Forum, May 14-15, 2012

The 2nd Caribbean Investment Forum (CIF) 2012 is being held on May 14-15, 2012 as part of the Caribbean Investment Week which will run through May 19, 2012 and include a Trade and Investment Convention (TIC) 2012 as well.

These are two major events of Trinidad & Tobago organized by the T&T Ministry of Trade and Industry aimed at boosting trade, business, investments, and networking possibilities in the Caribbean and beyond.

Several hundreds of business persons and leaders of industry are expected to participate in the events for which the Government of T&T is making all possible efforts to boot T&T as a hub of Caribbean trade, business and investment.

The event was launched at a glittering function on April 10, 2012 by T&T Prime Minister Ms. Kamla Persad-Bissessar who called for greater participation in this year's Caribbean Investment Forum and TIC.

The Indian High Commission in T&T is communicating this basic information about CIF so that companies and business persons from India interested to invest in this region and use T&T as a hub to extend their presence throughout the Caribbean and the Americas can participate in the event.

This is indeed an excellent opportunity for our trade and industry to be represented at such an event. Details of the 2-day CIF 2012 may be seen at www.caribbeaninvestmentforum.com and for TIC 2012 at www.tic-tt.com. The Secretariat for both the CIF and TIC is 18686758862. For further information Mr Anthony Aboud, Managing Director, Genethics Pharmaceuticals may be contacted by E-Mail: genethics@tstt.net.tt.

As of now we understand that Mr. Shambhoo Patel, Executive Producer (Animation), Reliance Media and Shri Sunil Sethi, eminent Fashion Designer will be taking part in the CIF. Understand that Shri L.N. Mittal has been invited to take part. Would request Ministry to give the event broad publicity and facilitate greater participation of Indian business and industry in these 2 major events taking place in T&T.

Indian High Commission,
Trinidad & Tobago.
