<b>Offer Text :</b> <i>Offer No:1686</i>	With its 12 years of expertise in the industry, Florakim is focusing on export markets like CIS (mainly former USSR States), Balkan and Middle Eastern countries. We can offer not only branded but also private label products. Since Florakim and its production plant is qualified for national and international standards (like TS and ISO Standards), all products produced by the company can easily be qualified for any national standards in potential countries. Demands for branded and private label products are treated separately by the sales team.				

	Production and Sales conditions for Private Label00 products are different than those of the branded products. Although amount of private label production at a certain period of time depends on the utilization of the production capacity, we will be happy to offer its flexible capacity for on-time and perfect deliveries for its customers demands. <a href="http://www.florakim.com">http://www.florakim.com</a>
