Seminar on Welding Technology in Auto Industry

18 January 2013, SKF College Campus, SKF India Ltd., Chinchwad, Pune

We wish to register for the above seminar and our organization will be represented by

Sl. No.	Name	Designation	E-mail ID	Mobile No.
1				
2				
3				
4				
5				

The delegate fee of Rs..... Vide DD / at par cheque No..... Date drawn in favour of **INDIAN MACHINE TOOL MANUFACTURERS' ASSOCIATION**, payable at Pune is enclosed.

Nominating Authority :

Designation : E-mail :

Company :

Address :

Tel : Fax : Signature :

- Participation Fee will be Rs. 4500 /- per delegate (Add 12.36% Service Tax extra) for Large and Medium companies and Rs. 4000/- per delegate (Add 12.36% Service Tax extra) for IMTMA members & SSI companies.
- Pre-registration with pre-payment is essential for participation. **Please get your participation confirmed by IMTMA before attending the seminar.**
- DD/ Cheque towards delegate fee should be drawn in favour of **INDIAN MACHINE TOOL MANUFACTURERS' ASSOCIATION**, payable at Pune. Delegate fee is non refundable, change in nominations accepted.
- Registrations will be accepted on "First -Come-First" served basis and SPOT registration not accepted. Please retain a copy of this Reply form for your reference.

Seminar on Welding Technology in Auto Industry

18 January 2013, SKF College Campus, SKF India Ltd. Chinchwad, Pune

Organised by

IMTMA Technology Centre

Indian Machine Tool Manufacturers' Association

www.imtma.in

BACKGROUND

The automobile sector has been witnessing unprecedented growth over the last couple of decades. India has become production and sourcing hub for all kind of products and components for the auto industry.

Of all the joining processes used in manufacturing, welding is the most widely used process as it produces strongest joints in metals and is permanent in nature. Welding uses heat and the use of pressure is optional. Welding has various types of joints namely, autogenous joints, heterogeneous joints, and homogenous joints for various application needs.

Advanced process friction welding technique is adopted. Obviously, welding engineers have to face an ever growing range of challenges in developing better welding techniques and procedures applicable to the traditional and novel materials, either by developing new equipments or modifying the present machines.

Indian Machine Tool Manufacturers' Association (IMTMA) is organizing a one day Seminar on Welding Technology in Auto Industry on 18 January 2013 at Pune.

SEMINAR SCHEDULE

0900 - 0930 Registration/Tea/Coffee

0930 - 1045 Overview of basics of Welding Processes & Technological Developments : All that you need to

know about interactive multiple engineering disciplines!

1045 - 1100 Tea / Coffee

1100 - 1215 MIG / MAG & CO2 Welding : Looking for better & growing prospects !

1215 - 1315 Laser Welding Technology & Applications: Present Status & Prospects !

1315 - 1400 Lunch

1400 - 1530 Trends in Resistance Welding Process : Technology with the TINA Status!

1530 - 1545 Tea / Coffee

1545 - 1700 Friction & Friction Stir Welding Technologies and Applications in Auto Ind. : A niche player with

exclusivity!

1700 - 1730 Feedback & Conclusion : So here we are !

FACULTY

This workshop will be conducted by Mr. Vijay S. Agwan, Regional Director for Indian Institute of Welding-ANB for promoting the Welding Education among users , with Certification of Individuals and Industries. Mr. Agwan is an industry expert with over 30 years of experience in the field of welding.

PARTICIPANT PROFILE

Managers, Engineers, Designers and Middle Management personnel involved in the functions of Design & Development, Manufacturing, Quality assurance and other related functions from Auto & auto ancillaries etc.

PARTICIPANT FEES (Non - Residential)

Types of Organization	Fees per participant	Service tax (12.36%)	Total Participation Fees
IMTMA MEMBERS & SSI COMPANIES	4000/-	495/-	4495/-
NON MEMBERS COMPANIES (Large & Medium)	4500/-	556/-	5056/-

Company nominating 3 or more delegate will get a concession of 10% per delegate

Fees includes participation, course material, working Lunch & Tea/Coffee. Companies interested in participation are requested to return the attached "Reply form" duly filled along with Demand Draft/ at par cheque in favour of "Indian Machine Tool Manufacturers" Association payable at Pune to the address mentioned in the reply form.

REGISTRATION

Prior registration for participation is necessary.

Number of participants is limited and will be accepted on 'First come First' basis.

A Certificate of participation will be issued to participants.

For Nomination & Enquiries call :
