

PRECA receives Green Manufacturing Award

PRECA Solutions India Pvt. Ltd., has been awarded the Best in Class Manufacturing – Green Manufacturing Award in National Quality Excellence Awards 2013 presented by Stars of the Industry Group, USA & World CSR Day Group on 14th February, 2013 at Taj Lands End Hotel Mumbai. The other recipient of the award for Green Manufacturing is Tata Steels Limited. The recipients of the award in other categories include SBI, Infosys, Cap Gemini, TAFE, Panasonic, Xerox Corporation.

PRECA is the first of its kind turnkey engineering Company offering comprehensive precast solutions. PRECA has state-of-the-art facility near Hyderabad for manufacturing Precast Prestressed Pretensioned Concrete Products and has highly qualified and experienced in-house engineering and execution teams. The precast concrete products manufactured by PRECA are of international quality standards. Further, PRECA is an ISO 9001–2008 certified Company. Precast concrete construction undertaken by PRECA contributes up to 26 LEED points meeting green requirements of USA – Green Building Council, the premier institution awarding Green Building Certifications across the World including in India.

Mr. Satish Gottipati, Managing Director of PRECA expressed happiness upon receiving the award and shares that such globally proven modern construction technologies are the need of the hour for India, which is endeavouring to implement infrastructure and housing development programs extensively.
